Subject: RE: question about CARB staff travel to AQTF meetings

Hi Laura – I also received your VM.

Yes – I would still be able to travel for border work.

Thank you for reaching out. Stay safe,

I should also be able to rely on division funds to make these meetings.

Thank you,

Hi Fernando and Ryan,

I hope you and your families are doing well and staying healthy.

We're working through the list of projects CARB submitted for CAA 105 monies for US/MX border work. Just one question on the \$5K earmarked for staff to attend the AQTF meetings in Imperial/Mexicali and San Diego/Tijuana. If we are unable to fund this, is it likely you'd be able to find travel funds from your division or other CARB sources? Lizzy mentioned that she's able to fund her travel through an AQPSD account. We're having to make some difficult decisions

about projects because of availability of funds, but of course CARB participation in these meetings is crucial. Please let me know if you have thoughts.

Sending lots of good wishes your way. Take care,
Laura
